# AUGUST NEWSLETTER

## DEAR CAMPGROUNDERS,

Welcome to August! I thought it was still June, so I don't know what happened there...

SO - we have a ton going on right now. We have the second lecture series of History Week tonight and in the coming days and weeks we have the Sunset Concert Series, The Moth, Sunday Services, Bibles Studies, Community Sings, Yoga, The All Island Art Show and Jr. Art Show, The Cottage Tour, Eric Holder, Senator Reverend Warnock, Tent Talks, Craft Fair, JEWEL, Illumination, and the US Air Force Band...among other things I'm surely forgetting.

If you see me walking around with a frown on my face, it's not because I'm unhappy - it's just my deep concentration face.

In this issue, you'll find Building & Grounds reminders, an update on JEWEL and an ask for volunteers, and an invitation to a fabulous event from a Campgrounder.

Speaking of Jewel, I'll be sending out an email next week with details on the concert as we will be closing down Trinity Circle. Stay tuned for more on that.

As always, if you see any MVCMA staff around make sure to give them a big thanks - we're entering the most challenging time of the year for us and we deeply appreciate any kind words of encouragement. It's all happening!

See you around.

## JEWEL Live at the MVCMA Tabernacle!

Are you interested in volunteering at the event? We're looking for anyone interested in taking tickets and monitoring the roped off perimeter of the event. Both positions have the option to be seated if necessary and they are separated into shifts so it's not required to volunteer the entire time - unless you want to!

The event takes place on Saturday, August 10th, from 7PM - 9:30PM. We'll be doing a training session on Monday, August 4th at 4:00PM at the front of the Tabernacle.

Please click the link below if you're interested and available. I'll be sending out an email to anyone signed up with confirmation and more info for Monday.

We'd love to have you!

### **BUILDING & GROUNDS** **REMINDERS**

All **deliveries of large-scale household products** (i.e. furniture) **must not be made in July or August** unless in emergency circumstances. Due to the nature of our difficult to navigate streets we just can't accommodate having large trucks going through the Campgrounds at this time. We've had electrical wires taken down, cottages clipped, and loud beeping alarms going off when the trucks back up.

If you have an emergency situation, please alert the office as soon as possible so B&G can be on-site to help navigate the best way to get to your cottage.

-----  
We've also had a few instances of **contractors on the Campground** during July and August - which we do not allow. Contractors are only permitted to work on the Campground outside of July and August and must go through our COA process.

If there is an emergency repair, you must inform our B&G Supervisor, Frannie Capello prior to work being done.

The office has received an influx of calls and complaints about **unleashed dogs, dogs in Trinity Park, and excessive barking.**

Below is a reminder of our dog policy, which is included in the MVCMA General Rules & Regulations which can be found on our website.

6. Dogs must be on leash at all times when not on their owner's leased lot. Residents and their guests to the Campground must clean up after their pets immediately. Dogs cannot be left tied to porches or left in yards unsupervised. No dog should be tied on common ground. Residents must make every effort to assure their dogs do not annoy neighbors with excessive barking.

-----  
Any vehicle parked in a MVCMA parking area or leasehold **must have a current MVCMA parking sticker or hang tag.** Any vehicles parked on MVCMA roads (where permitted) must have a current MVCMA parking sticker or hang tag except during Tabernacle events. No vehicles may be parked on Trinity Circle overnight, from July 1st - August 31st.
